

Virtual Worship & Ministry Outreach

At Evergreen Lutheran Church, we say, "All are Welcome - No Kidding!" By providing funding for the Virtual Worship & Ministry Outreach, we will facilitate participation in many of our spiritual growth ministries for members and non-members of all ages and capacities. A few ways this ministry will ensure that "All are Welcome" include:

- Facilitate remote worship attendance by senior congregational members, college and confirmation students, members who are out of town for an extended period, and those who may be temporarily unable to attend in person.
- Enable potential visitors to watch services.
- Permit remote participation in Faith Formation sessions (Java for Jesus, etc.) for those unable to attend.
- Allow remote participation for Confirmation students and provide links to resources for the students (sermon notes) when busy youth schedules conflict preventing participation in person.
- Provide remote participation at memorial, funeral or weddings services for those unable to attend.
- Allow those using the service to stay virtually connected, promote and affirm our sense of community.
- Create a sense of responsibility and inclusion for the youth by allowing them to manage the audiovisual system.

This ministry will allow updating and enhancement of our audio/visual resources to expand ELC's reach and impact in the community and around the world, supporting discipleship through outreach to the on-line community, sharing the good news with people who may otherwise never hear the Word.

Funding this ministry will enable ELC to stay connected with members (college students, elderly, infirmed and traveling) no matter where they are plus encourage our members to continue their educational growth in their journeys of discipleship.

Our goal for the 2018 Appeal is \$75,000 to initiate several ELC's ministries. Some of this increase will be used for the "Virtual Worship and Ministry Outreach" Initiative. Please pray for a thoughtful response to our "Growing in Grateful Generosity: the Heart of Our Ministry" Appeal on November 12th and your own generous, Spirit-led acclamation.

**APPEAL GOAL: INCREASE GIVING BY \$75,000.
YOUR JOYOUS AND GENEROUS RESPONSE IS WELCOMED.**
